

LANGUE SOFT ORIGINAL

by Rune Krøjgaard + Knut Benedik Humlevik

The Langue Soft is a series of luxurious fully upholstered dining chairs based on the same frame options as our Langue Series. The seat has a carefully selected 3 cm foam, with an ideal balance between comfort and posture, making the chair perfect for those long evenings of dining.

For the launch of the first Langue Soft chairs we handpicked four colours of vibrant, soft velvet. The four colours, Taupe, Olive, Rosewood and Midnight Blue, fit beautifully with the brass and black bases.

The Langue Soft is also available with the Avantgarde aluminium base, Stack aluminium base and with a wide selection of leathers and fabrics upholstery options.
