Description

Companion bed: frame in panels of black, white laminated particleboard (ribbed on the exterior), equipped with 4 lockable castors. Intended to take a slatted base and Bultex mattress H 16 cm. Lower section can take an occasional bed with slatted base, which takes a specially adapted Bultex mattress 88 x 197 x 9 cm. When pulled out, this occasional bed rises to the same height as the main bed, thanks to its automatically-unfolding feet.
